TOTAL PAID	1,099,207,773	10,280,619

This schedule is not directly reconcilable to the audited financial statements.

1. The financial statements are prepared on an accrual basis while the above schedule is prepared on a cash basis.
2. Recoveries from other agencies for any of these costs are not reflected in this schedule but are accounted for on the financial statements.
3. Many of the above costs are reflected in the authority's balance sheet rather than statement of operations.
